IT'S WHAT I DO...

I'm a twenty year old woman writing to you because there are so few outlets for us to express our sexuality. There are a lot of so-called 'men's magazines' but nothing sexy for us women. Yeah, I know there's all sorts of porn all over the internet, as well as some labeled 'for women' but it's still mostly produced for a male thrill. No one wants to address our sexual feelings, visually. There are women that have been with one guy since high school. He's all they've ever known. Then, when he's done with her, she goes into a shell or retreats from sexual society for fear of not being wanted or rejected.

I look at myself as a one woman crusader for a healthy sex life. I try not to preach, but I've helped a few of my lady friends get down. Here's one way to do it. Many of my lady friends, that have lost their man through divorce or cheating, have a tough time getting back into dating, let alone having sex. Many are frustrated, but are also unwilling to try new things and re-sex themselves for long periods of time. I'll talk to them and say we can do it together. Nothing lesbian or extreme, just a supportive male partner to re-introduce them to normal, healthy sex. Reluctantly they'll agree and that's when I set things in motion.

My plan? I have a man ready for them. Not to fuck but to explore him. Make the woman unafraid of a new male and his body.

Example? Let's call her Chelsea, and she's been divorced without a man for more than three years. It all starts at my house with an invitation to her and (let's call him) Marcus. I have to tell you that things are going to have to get a little more explicit here because that's what happens.

So Chelsea comes to my house and Marcus is already there. They both know what's going to happen so we start with a glass of wine and get to know each other just a little. It will go something like this...

Marcus is a man in his thirties with a good but

I can see confidence building in Chelsea as she strokes it harder and works her hands all around his balls.

not great physique. He is pleasant and warm. Chelsea is polite and timid so I force them into conversations that will bring out her sexual fears and work on them. I tell Marcus to stand up in front of her, but not too close. As he does, I get behind him and begin to undo his shirt. I tell Chelsea to stand up and finish opening it and touch his chest and nipples. After a little hesitation and some more prompting, she does and helps me pull it off him. I tell her softly to undo his belt, his zipper and pull his pants down. She slowly does it. I ask if she wants to disrobe at all, but most women will be even more uncomfortable with this so she stays in her clothes.

I tell her to pull down his boxers or to slip her hand inside if she is uncomfortable looking at it right now. Chelsea chooses to slip her hand down under the waistband. She searches and finds his semi-erect cock. I tell her to stroke it and reach lower for his balls. Marcus, like a good guy, stands there silent. After a moment of this, I pull his boxers down and he steps out of both his pants and boxers. Chelsea's a little surprised, but cannot help to look down and see her hand around this stranger's cock. I ask if she's okay so far and she nods that she is.

I start to rub my hands up and down Marcus' chest, still from behind, to try and make Chelsea a little more comfortable with the sexual situation. If I stay behind him, she'll not think there could be any lesbian overtones and her focus stays on the man directly in front of her.

"Isn't it gorgeous?" I say, reenforcing the beauty of his man-sex. Chelsea says 'Yes.' pumping it with her fist a few times. He was fully erect now and pointing straight up. Without any more encouragement, I can see confidence building in Chelsea as she strokes it harder and works her hands all around his balls. I let this continue for a few minutes and then ask, "Would you like to taste it?" She looks back down at his hard cock. With that she dropped to her knees in front of Marcus and pins his cock to his stomach and licks the long shaft slowly from the base to the tip of the head.

The room fills suddenly with wet sucking noises as Chelsea slowly fits her mouth over his cockhead. Chelsea then sucks it into her mouth as far as she can feeding herself an inch at a time until her throat was so full she gagged. Chelsea removes his dick from her mouth and catches her breath. She looks intently at the cock before her. She reaches out and puts a hand on each of his ass cheeks and forces his spongy head into her mouth. I back away and leave Chelsea to her own desires.

I came out from behind Marcus and sat on the sofa next to them. I watch as Chelsea pressed his cock against his stomach and began tonguing his balls. With her eyes shut, I could tell she was getting lost in her own erotic world. She was no longer denying that she was a sexual person. I helped her out of her top and her bra and she rubbed her breasts, awakening them from their long slumber by pinching her nipples to erection.

She then boldly stands up and gets behind Marcus, pressing her chest into his back and reaching around to take his cock in her right hand. She pumps him hard as she rubs her chest against him. Marcus stands there like a soldier and takes it, letting her get out her years of sexual frustration. Her strokes seem to be having an effect as Marsus' stocism begins to crumble at her touch. I hope she realizes that it's her and him. It's man and woman. It's part of what makes the world tick, and hopefully her, too.

Marcus senses he's about to cum and motions to me. I tell Chelsea and ask if she wants to finish him. She nods. I ask if she wants to watch it and swirl my finger into the air motioning her to come around front and get on her knees so Marcus can finish on her chest. Without letting go, she comes around front and keeps stroking him as she lowers herself expectantly. She strokes him to climax as he jets his warm cum onto her chest. She touches it and rubs a glob of it between her fingers to sense it's wetness and texture.

Now we're finished and Chelsea thanks me, and Marcus. A couple months later, she calls and tells me she's dating and fucking again. I know... that's what I do.

She touches it and rubs a glob of it between her fingers to sense it's wetness and texture.

elaina on a rayeny day

I have an adventurous spirit when it comes to sex. There's little that is out of bounds. First there is that possibility of getting off in ways I haven't. The fact that there is the possibility of that happening is enough to get the adrenaline pumping! There is also the thrill of doing it with someone new.

One day I was with this guy at a mall and got a wave of horniness I just had to quench. We went to a store and found dressing rooms that were empty. I chose some clothes to pretend like I was trying on, and he followed me into the waiting area. Noticing there was nobody else there, he came into the changing room. We fucked in three different positions and watched ourselves do it in the mirror that was in the room. That was awesome!

draft pick-up

One of the best point guards in college this past year was Jordan Boyder, a highly recruited prep star that came out early for the pro draft after only two years of college ball. He was an early first round selection by our home team and Scott Brown, the man who scouted him for the last six years, would be the first to officially greet him before training camp. Me, I'm Scott's assistant, and along with him we were to show Jordan the town, help him relocate, get him to the training facility on the first day, and whatever else it took to make him happy. He was to be a critical part of the team and his happiness was important. I usually turn out to be the 'whatever else' that makes the new ball players happy. It's a little tradition we've had since we won the Championship a few years ago. At first I was reluctant but after our success, I felt like a huge contributor to the team. Even if it was sometimes on my back, it was just as important as the three point shot. Or at least I'd like to think it was.

That morning, Scott picked him up at the airport and dropped him off at the hotel to freshen up. He told him that he'd be by at seven to pick him up for dinner and that he had a little welcoming present for him. Right on time Scott and Jordan left the hotel for the restaurant. They were recognized immediately and seated for dinner. Jordan was an engaging young man with a great future. Both men enjoyed their steaks and settled back for an after dinner drink and discussions of the team and basketball. I was to arrive about nine that night and do my thing. I spent the evening preparing for it and told Scott I'd give my all.

When I arrived, there were very few who didn't notice me. I glided across the floor. My five inch heels made me appear taller than my 5' 5" frame. My dress, a black satin and silk affair is split up the side, about ten inches beyond the knee. Tonight called for garters and stockings, and little else underneath. No bra. In that dress, I couldn't really wear it without it being obvious.

I have rather large natural breasts and they are spectacular. They ride firm and high on my chest and are capped with bullet nipples, and tonight they were sticking straight out! The dress had no back, and very little front. Cut very low, my breasts were displayed to their best advantage. The only way I could have exhibited them more would be if I was topless. For now, this was as good as it would get.

I immediately spotted Scott when I entered the restaurant. Jordan excused himself to use the rest room and Scott waited for his return before calling me over. I watched Jordan walk back the table. He was a bit over 6' 4" and built like a ball player should be. I don't think I had ever been so turned on by the mere sight of any man that I could remember. His chest tapered into his pants, that by this time I was examining rather closely. I knew I was imagining it, but it looked like I could see the outline of his cock as it ran down his left leg. And imagination or not, I was excited!

Scott pretended as if he had just spotted me and motioned me over. The games were about to begin!

BLAIR-NTS-07

"Hey, Desiree! Glad you could make it." extending his hand to me as if I were there on a business deal. Well, I guess, if it was fashion, I was.

"How nice to see you again, too, Scott." I shook his hand with my best manners. "Desiree, I'd like you to meet my friend, Jordan. Jordan, this is the woman I was telling you about." "It's so nice to meet you." "It's nice to meet you too. Scott has been telling me all about you." "All of it nice, I hope." Scott entered into the conversation at this point. "I hope you don't mind, Desiree, but I told Jordan about your hopes of becoming a lawyer, and I explained to him that after your husband left, you decided to pursue criminal law."

By telling Jordan just a little bit about me, Scott had deftly explained why I didn't seem to be your average call girl. Talk about smart! He had already provided me with the perfect cover. Just as I was about to take a seat, the band started up. Jordan reacted with style and class. "Before we sit, would you care to dance?" "I'd love to." was my reply. "Shall we then?" Before I knew what happened, I found myself with Jordan's arms around me, moving me as if I had no substance, no weight. I seemed to melt into him. No, that wasn't my imagination. I felt a hard cock! He seemed aware of my recent discovery.

"I'm sorry if I'm pressing you too hard. It's just when a woman as soft as you comes against me, I'm afraid I forget my manners. Is it hurting your leg?" There it was. He was referencing his cock, as if it were just something pushing against me. I looked up at his face and replied. "No, it isn't hurting me. I like the feel of a man as he gets excited." With that, I pushed myself closer to him, and I swear, I could feel his dick harden even more. Damn, I was ready to fuck him right there, on that dance floor, in front of a room full of strangers. My pussy was leaking with anticipation as we made our way back to the table. I was ready to get this show on the road.

I was looking forward to sucking that huge cock, to having it enter my tight pussy, and I was looking forward to watching the expression on my Scott's face as this man fucked me. Scott answered my unasked question. "Listen kids, it's getting late, and I have an early day tomorrow," Scott said looking at his watch. "Why don't I just call it a night. I hope you two won't mind if I leave?"

"I've told Jordan that you said you'd have to be back at your place by two and he understands that." "Well, then, that settles it. I'm off." With that, he stood, shook hands with Jordan, winked and said under his breath, "Enjoy yourself, and don't wear it out!" And he was gone! I watched him walk out the door and then turned to Jordan.

"Are you ready?" he asked. "Yes. I suppose so." I was still a bit apprehensive, but I put on a good front. "Yes," I said, "I'm ready." Jordan took me by the arm and led me out the door of the lounge. While we waited for the elevator, Jordan seemed to be the perfect gentleman. He chatted about the draft, basketball, and the humidity. Just as the elevator bell rang, indicating that the door was about to open, Jordan reached his arm out and pulled me closer to him. He leaned down to me

My pussy was leaking with anticipation as we made our way back to the table. I was ready to get this show on the road.

and whispered, “Grab my dick!” I reached down, between his legs, and gave his cock a s-l-o-w rub, running my hand down the full length of his now steel hard dick! I felt so absolutely wicked! The door opened and we entered the elevator.

As soon as the elevator door closed, he turned to me and said, “Take it out. Take it out of my pants.” He spoke so matter of factly, I hesitated for a moment thinking about his order. He reached over and pushed the stop elevator button. I stepped in front of him and unzipped his pants. “Now, take it out.” I did. Reaching inside his pants, I wasn’t sure if I had hold of his cock or a snake. Whatever it was, it was big... and it was moving! When my hand came out of his pants, so did the biggest cock I can ever remember handling. And somehow, I knew it wasn’t fully erect yet. I soon found out how unerect it was.

Dropping to my knees, I took his dick into my mouth! My jaws were open wide, but not wide enough. I’d sucked big cocks before, and soon I was sucking him without difficulty, but the damn thing was still growing between my lips. I had just established a rhythm to my sucking when he leaned forward a bit. And the elevator starting moving. He had pushed the start button again. The elevator continued its journey to the tenth floor. Within a few seconds I heard the door open.

Jordan took my hand and led me to his room. Inside was a huge king-size bed awaiting us. We went in and immediately Jordan dropped his shorts and when I saw the size of his cock with no pants around it, I was truly shocked, but a good shock in which I couldn’t wait to wrap my lips around it again. I took the head into my mouth and licked up and down the crown. I then took as much as I could into my throat. I kept sucking and licking but there was no way I could take him fully.

Jordan picked me up and carried me over to the bed. In one motion my dress came off and a moment later he was naked, too. I laid back and told him to slam it into my pussy. He took his shaft in his fingers and aimed straight for my pink hole and in went the head. More and more he fed it into my pussy until his balls were banging against my ass. I wailed as he began to thrust into my pussy, crying for him to fuck me harder, to slam my pussy deeper as my fingers rubbed my clit. I was begging him to fuck me and telling him how much I loved his big cock inside my pussy.

Jordan said he was about to cum and as he pumped me harder, I began to cum but jumped off his cock finishing my orgasm with my fingers as I took his cockhead into my mouth. I swallowed him deeper as he unleashed a flood of cum inside my mouth, but there was way to much to contain it. I sucked his cock cleaning the juices from its shaft. I sat back on the bed, legs spread and pussy swollen from the pounding I just received.

Midnight arrived, and like Cinderella, I had to leave. I kissed Jordan goodbye and wished him much success with the team. I went home, called Scott and told him about the evening. He thanked me for taking care of his man. Then added – the other first round pick from Croatia will be in tomorrow. My pussy quivered.

I was begging him to fuck me and telling him how much I loved his big cock inside my pussy.

I'm not a model. At least professionally, although I did do a junior miss catalog shoot when I was younger. That's where I first got used to the camera. Now I like posing in front of it and hope one day to be behind it. I hope you like my pictures and video. I think I do my best cock-sucking and fucking when the camera's on.

After use, throw the sleeve out and you're done. fifi rolls as tightly or loosely as you prefer, and for added pressure you just squeeze it. For a more realistic sensation, the fifi's foam insert retains heat as you use it. The discreet design can blend with any environment, even though Mack Black fifi is a stylish choice that you won't mind showing off. fifi is a functional and smart male masturbation toy that's better than your hand. It's simply the best male masturbator.

lilly lost in lust

I think my bra is too tight, and my panties, too. Whew, now that they're pulled off completely, I can get down to business. Dirty business. The business of sucking your pole. And your balls. I don't like the missionary position, but any other one will do just fine. Is there one you haven't tried? I love it when my juices mix with my man's. It's kinda like lemon and lime, rum and coke, peanut butter and jelly. It's a mix that is mouth-watering.
